Sowing a Seed

Alpha House Benefit

A group of young men came to the shelter with some members of the River Bible Church. The young men were part of a larger group of young Christians that invaded Mountain Home to share their Love of the Lord by, "Being mindful of the needy". Among lots of other things they had done at the shelter, they made an above the ground garden. The men that live at the shelter planted the plants that were donated by Carl Wayne's Nursery. This became a valuable lesson for the men;

You need to have a proper foundation. You need to put in some kind of barrier to keep the weeds from coming in. Then you put in some fresh soil. Plant the things you need and care for them. You don't have a great garden unless you attend to it.

What is New

Our New Website

Alpha House is a place for homeless men to call home while they get back on their feet.

Well we finally got our Web Site up and running. We will put our News Letters up on the site and I am going to have something posted every month. We will also be posting what we call, "Spiritual Stories". These are the stories that we use in our, Bible Study/Encounter Groups on Tues & Thurs evenings @ 5:30 if anyone out there would like to attend or if you know anyone that might benefit from them. There will also be a contact page so if you have any comments or if you would like to help us, you can fill out the info and submit it and it goes directly to me. We will also have a place on the site where people will be able to make monetary donations.

Things we need

1. 1 leaf blower
2. 12 Kitchen Towels
3. 12 Bath Towels
4. 1 Toaster
5. 1 Good Lawn Mower
6. 1 Push Broom

Who do you Support ?

A young boy who only wanted to graduate High School and in the middle of a life that was falling off a cliff, the Lord delivered him to the Alpha House to help him realize his dream.

There was a young man who would ride around town on his little motorbike and would stop by the shelter to have a cup of coffee with the guys. The alpha House was a safe place for him to rest from all his adventuring. He became part of our extended family.
