Lost and Found

A few years ago, there was a man who came to the shelter. He was losing everything he had due to Drugs and Alcohol. He lost his family, his job, and giving up on the college he had started. He got cleaned up, started going to church, reading his bible and rededicated his life to Christ. I went to his graduation when he got his associates degree. I saw him in town, and we had a wonderful conversation. He had remarried, he had a little boy and he was teaching in High School with his master's degree. Where most would see brokenness beyond repair, Jesus sees a diamond with His loving care.

Amen

In the Hopper

Spring is here and like most we are planning on all we need to do and want to do. It's a great time for putting into action the goals for the coming year. We will be working towards putting in a surveillance system along with a street light to better secure the property. We will also be raising funds to fence the property, something we have wanted to do for a long time and of course it is garden planting and landscaping. We will be starting basic cooking skills class for the men and we hope the garden does well and they can use some of the food that they have grown. If you are interested in helping in any of these areas or know anyone that would please let me know. May God bless you and keep you and may your garden grow abundantly
