What's been going on

As we move toward our eighteenth year of service, I am recalling what we have been through thus far. We started with a checkbook that had \$7.14 in it and one man in the Shelter. We have raised 1.3 million dollars in our 18 years and have served over 1,300 men. We have buried some and have married a few. We have helped some finish high school and we have helped some go to college. We have helped some reunite with their family and have counseled many on how to be part of a family. We have helped many get back to work. But to all who pass thru our doors, we have showed the Hope that God gives them for a reason to go on. Together God, you and the Alpha House give them an opportunity for a better new beginning.

In the Works

You will notice a new donation receipt for your contributions. We are making the move to a computer-generated system which will allow us to be more efficient and help with time management. Each month with your receipt you will also receive a shelter update to keep you informed on the shelter's current activities. We are very excited and look forward to better serving you, the men, and God. Thank you for your continued support. Enjoy this beautiful fall weather and may the Lord bless you all.
