Faith = Hope

During these times of uncertainty when our boat is being tossed around by the storms in our life, ask yourself the question, "Is there anyone in my boat". Jesus said, "Let us go to the other side". He did not say, "Let Me go to the other side". The disciples needed to have Faith which would allow them to have Hope. Thank goodness they did not just jump into the water. Sometimes we lose Hope and just jump into where the world is leading us. For those I urge you to get back in the boat with the only one that can calm the seas. It is our prayer that you and your families will be safe and be filled with the Joy of the Lord.

Being a Servant

As I sit here reflecting over the last 12 months, I look at our successes and our failures, realizing that anytime you deal with humans, there is a huge gap between one and another. What causes a man to become homeless varies from man to man, sometimes we want to think that it's basically just a couple of reasons, but for the most part it's not so much what they go through, it's how they react to what they go through. All in all, I am thankful that God found it fitting to allow me to see Him at work in all these men's lives. I look forward to the coming year; New Friends, New Photos, New Challenges, and New Opportunities to share the love of Christ with my fellow brothers and with this I would like to thank all our supporters for being part of this marvelous journey. All of us at the Alpha House wish you a Merry Christmas and a Happy New Year
